Dear Resident,

NEW Service -TEXTMyGov

The City of Von Ormy has recently partnered with **TEXTMyGov**. This service uses a mobile phone's regular messaging service and allows anyone to quickly find links, documents or text that answers their questions. - No app downloads required! In addition, it is available anytime—24/7! This service empowers citizens to connect to the city from anywhere. Using text messaging allows citizens to engage with the city efficiently, saving a trip to the office or waiting on hold.

BULK PICKUP DAY

Tiger Sanitation will be picking up bulk trash items on Saturday, July 8th. For a listing of acceptable and unacceptable items to bring to the City's central collection point, please check the City's NEW Facebook page to view the flyer.

UPDATED CITY WEBSITE AND SOCIAL MEDIA

The City has an updated city website at www.vonormytx.gov. We will go LIVE by the end of the week. We are in a constant state of adding and updating information to provide accessible information to the community. So keep checking the website!

In addition, the NEW Facebook page for the City can be found at City of Von Ormy TX. Residents are encouraged to use this page as the City will be using it to keep the community up-to-date with what is going within the community, such as emergencies, power outages, weather alerts and more.

MEALS ON WHEELS

Bexar County is working with [Meals on Wheels of San Antonio](http://www.mealsonwheels.org) to deliver hot, nutritious meals each weekday to senior citizens throughout Bexar County. Since the program is funded via the Community Development Block Grant (CDBG) - and Von Ormy participates in this CDBG program - 100% of seniors (age 62 and over) in the city qualify for the following services. Please use the attached form to refer any clients:

<https://www.mowsatx.org/referral>.

PUBLIC WORKS

Please keep your eyes open!
Public works employees are currently out cutting grass and trimming trees.

SAFETY CONCERNS

Residents are encouraged to patrol their properties and turn over any standing water containers to discourage mosquito breeding.

Reminder! Please make time to cut the grass. This will also help alleviate mosquitoes and snakes.

Code Enforcement will be checking unsafe structures the new few weeks.

ANIMALS AT LARGE

As a reminder, City Ordinances are enforced and residents should keep their pets within their yards. Pets not contained will be picked up and taken to a shelter. Cooperation is encouraged to avoid any fines and fees associated. The Police Department and City Office can take any formal complaints about animals roaming our streets.
